Digital Literacy Awareness Quiz

A brief quiz designed to assess and enhance digital literacy skills, focusing on online safety and collaborative tools for students.

Untitled title

1. Which of the following is the most secure method for managing multiple online passwords?

- ☐ Writing them in a physical notebook.
- ☐ Using the same password for all academic and personal accounts.
- ☒ Using a reputable digital password manager with a master key.
- ☐ Saving them in a plain text file on your desktop.
